Landmark Education has signed a 12,265-square-foot lease at AtlanTech Tower, located at 6451 N. Federal Hwy in Fort Lauderdale, FL.

The 12-story, 413,426-square-foot, class A office building was constructed in 1973 on 9.9 acres along US-1 in South Florida. It was renovated in 2001 and boasts abundant parking in a five-level garage, on-site snack and gift shop, an Energy Star certification and ocean views.

Andrew Ackerman and Timothy J. Talbot of ComReal Fort Lauderdale represented New Boston, which acquired the property in 2007. Russell Bornstein and Michael Wilson of CBRE represented the tenant in lease negotiations.
