NORTH KINGSTOWN, R.I. -- A Verizon store will join the list of retail tenants at the Shops at Quonset Point, the development's management firm announced Tuesday.

New Boston Fund Inc. said that Verizon will be leasing 2,600 square feet of space in the development located at what was once Quonset Point naval base.

Tenants already located in the 400,000-square-foot retail development include Dave's Fresh Marketplace, Kohl's and HomeGoods.
